

# 16th International Symposium on Spatial and Temporal Databases

Vienna, Austria, August 19-21, 2019

<http://sstd2019.org/>

## Sponsorship Opportunities

### Why sponsor SSTD 2019?

It is our great pleasure to invite you to join the International Symposium on Spatial and Temporal Databases 2019 (SSTD 2019) – to be held in Vienna, Austria at the TU Wien campus – as a sponsor.

SSTD 2019 marks the 30-year anniversary of a series of biannual symposia that discuss new and exciting research in spatial, temporal and spatio-temporal data management and related technologies with the goal to set future research directions. SSTD symposia primarily focus on original results in theoretical foundations, design, implementation, and applications of spatial and temporal database technology. SSTD also welcomes experience reports from application specialists and the commercial community that describe lessons learned in the development, operation, and maintenance of actual systems in practical and innovative applications. The goal is to exchange research ideas and results across academia, industry and government from diverse geographies, and career stages.

### The Benefits of Sponsorship

The detailed “deal” for a sponsor is listed in the next section. The big picture for the sponsorship is the following:

- Maximum visibility during the pre-conference announcements and during the conference.
- Getting to know the innovation leaders of spatio-temporal data management.
- Early and in-depth exposure to ideas that will shape the future of spatio-temporal data management.
- A recruiting event pairing sponsors at the gold level and above with soon-to-graduate students that have experience in this area.
- Appreciation of attending soon-to-graduate students of the sponsor’s profile, and opportunities for informal contacts during the conference.

Companies that have sponsored SSTD in the past include HERE International B.V., Google, ESRI, Oracle, KD Nuggets, Allianz, Audi, and Siemens.

## **Sponsorship packages**

To attract more participants, especially more students and young researchers, we need to maintain low registration fees. To achieve this goal, we kindly request your financial support to make SSTD 2019 a successful symposium. We would highly appreciate your sponsorship of the conference at one of the following levels:

### **Bronze Sponsor (EUR 1K)**

- Logo and name of sponsor included under the bronze corporate sponsorship category in all conference electronic and hardcopy publications (e.g., website, call-for-papers, conference program, proceedings).

### **Silver Sponsor (EUR 2K)**

- Logo and name of sponsor included under the silver corporate sponsorship category in all conference electronic and hardcopy publications (e.g., website, call-for-papers, conference program, proceedings).
- Complimentary registration to the conference for 1 participant.

### **Gold (EUR 3K)**

- Logo and name of sponsor included under the gold corporate sponsorship category in all conference electronic and hardcopy publications (e.g., website, call-for-papers, conference program, proceedings).
- Logo and name of sponsor on a banner at the conference location, banquet and reception.
- Participation in a dedicated industry session held during the conference.
- Corporate swag (pens with logos, tee shirts, etc.).
- Complimentary registrations to the conference for 2 participants.

### **Platinum (EUR 5K+)**

- Logo and name of sponsor included under the platinum corporate sponsorship category in all conference electronic and hardcopy publications (e.g., website, call-for papers, conference program, proceedings).
- Logo and name of sponsor on a banner at the conference location, banquet and reception.
- Corporate swag (pens with logos, tee shirts, etc.).
- Corporate flyers/info.
- Participation in a dedicated industry session held during the conference.
- Complimentary registrations to the conference for 4 participants.
